

# Monkey Madness March

## Newsletter

This month in Monkey Madness we are celebrating Dr. Seuss birthday with a full week of Dr. Seuss games, books, and activities. Then we will have an opportunity to learn about pets and share about our own. Then its time to learn about St Patrick and have some fun activities. Just watch out for that sneaky Leprechaun. We will finish the month off learning about

space. The warming up some will go outside as possible. Please still very chilly in even if it heats afternoon. have proper your child in temperature.

weather is days and we much as remember it is the mornings up in the Remember to clothing for different
